The Georgia Mental Health Consumer Network is starting to plan for the 27th Annual Statewide Conference to be held August 21 - 23, 2018 on St. Simons Island, GA. The theme for this year's conference will be centered around "Coming Together, Making Connections, and Embracing Recovery."

If you have an idea or concept for a workshop related to this theme and/or Wellness and Recovery, please send us your name, name(s) of presenters (a maximum of two people per workshop will receive scholarships to attend the conference), a proposed title for the workshop and a brief description of what the workshop would be about.

Workshops should be limited to 50 minutes and will be presented twice during the conference.

All proposals must be submitted by June 22, 2018 and will be considered by the planning committee. Please email your proposal to Olivia Hudson at office@gmhc.org or mail it to her attention at GMHCN, 246 Sycamore St., Suite 260, Decatur, GA 30030.
